

Quad Medical Limited

Training & Education

Quad Medical Limited are a Qualsafe registered centre. Qualsafe Awards are one of the largest Ofqual recognised Awarding Organisations in the UK and the biggest awarding organisation for First Aid qualifications. This makes Qualsafe an extremely trusted and recognisable name that employers look for when selecting a training provider.

Qualsafe are regulated by the Office of Qualifications and Examinations Regulation (Ofqual), Qualifications Wales and the Northern Ireland Council for the Curriculum, Examinations and Assessment (CCEA).

Working closely with Qualsafe, Quad Medical Limited are able to provide a range of First Aid and Pre - hospital qualifications that are included on the Regulated Qualifications Framework (RQF). By choosing a training provider that is registered with an awarding organisation you can be assured that quality standards of training are met and maintained.
